

Mr. Henry Lyon Esq.
Ware Mass.

Boston May 12. 1841

Dear Sir,

Your Sheetings
are handsome & being filled with Mule Yarns
are rather soft. We think if you will
put in a little more starch, or sizing, they
will appear more firm & stout, - in fact
we have no doubt it will improve
the appearance very much & shall
be glad, (if there are no objections,) that
you would adopt it at once.

You can judge whether it
will be best to put some Flour into
the starch, - what we want is something
to give them a stout appearance they are
now rather too limber & flimsy, at least
they have too much of that appearance.

Very Respectfully Yrs Parks Wright & Co.
